### 18th TATA IPL 2025 - Indian Premier League All 10 Teams Details

### 2025 Indian Premier League TATA IPL 2025

The Indian Premier League is a franchise 20-20 cricket league held in India, organised by the Board of Control for Cricket in India (BCCI). It has been held every year since the first edition in 2008. The tournament will feature ten teams playing 74 matches from 21 March to 25 May 2025. Kolkata will host the opening ceremony and the final at [Eden Gardens](#) as the defending champions. It will be the 18th edition of the Indian Premier League.

### Game Format Of IPL How 10 Teams Will Compete, Qulify And Eliminate In 74 Matches

Each team will play twice against the teams in its own group and the same-ranked team from the other group, and once against the remaining four teams from the other group. After the group stage, the top four teams based on total points will qualify for the playoffs. In this stage, the top two teams compete with each other in a Qualifier 1 match, as do the remaining two teams in an Eliminator match. While the winner of Qualifier 1 qualifies directly for the final match, the losing team will compete against the winner of the Eliminator match (in a match called Qualifier 2). The winner of this subsequent Qualifier 2 match will advance to the final match. The IPL Governing Council decided to keep the number of matches for this edition at 74, like the previous three seasons, to help cricketers balance their workload, although this will be increased to 84 for the next two seasons. The seeding for the group stage is yet to be announced.

### When IPL 2025 Is Starting?

In November 2024, the standard dates for the next three seasons were announced, with the 2025 edition scheduled to take place from March 14 to May 25. As we all know, the ICC Champions Trophy matches are currently underway and the final is on March 9. In January 2025, it was announced that the 2025 season will start on March 21 as the 2025 ICC Champions Trophy final is scheduled to take place on March 9. The ICC final match and IPL 2025 were to have a gap of 2 weeks.
